Land Due Diligence

Properties are thoroughly researched to assess suitability for development, including zoning regulations, environmental concerns, title issues, and infrastructure availability, before acquisition.

Site Selection and Pre-Development

Get the site right. This is a lesson that has been reinforced over decades spent working alongside domestic and international companies to locate and construct facilities that meet their functional and financial goals.

Design and Preconstruction

Our team of project managers, engineers, architects, interior designers, lawyers and in house estimators have honed their ability to solve problems while delivering successful projects on time, on budget.

Construction and Project Management

As the project progresses, our experienced team will preempt every challenge, working diligently to control costs, coordinate with subcontractors and manage construction to make sure your project is successful.

OUR MARKETS /

▶ INDUSTRIAL/MANUFACTURING

From large-scale factories to advanced distribution centers, our structures support your operational goals and growth. Our manufacturing facilities are crafted to enhance production capabilities and meet stringent industry standards.

▶ COLD STORAGE

We design and construct state-of-the-art cold storage facilities, ensuring precise temperature control and operational reliability.

▶ FOOD & BEVERAGE

Our facilities for the food and beverage sector include processing plants, packaging centers, and distribution hubs.

▶ COMMERCIAL

From modern office buildings to dynamic retail spaces, our commercial projects are designed to maximize functionality and aesthetic appeal.

▶ LIFESTYLE

We specialize in vibrant lifestyle venues, including hotels, resorts, youth camps, waterparks, restaurants, bars, and theaters.

▶ INTERIORS

We transform interiors into efficient, functional, and visually appealing environments, designing around your machinery and processes while minimizing disruption and adhering to your timelines.

HOW WE GO BEYOND /

At KDW, going beyond is more than a commitment—it's our standard practice. We're dedicated to delivering exceptional results through a comprehensive approach that integrates innovative design, meticulous construction, and unparalleled client service. Here's how we make every project extraordinary:

► It is an Honor to Build Your Unique Project

- We are grateful for the opportunity to bring your unique projects to life, as they reflect our commitment to your vision.
- We build this project for you, designing spaces that efficiently support your business processes and machinery.

► Unparalleled Communication, Transparency, and Client Collaboration

- At KDW, we're dedicated to your project's success and look forward to strengthening our relationship with you.
- A principal oversees every aspect of the project alongside the project manager(s), superintendent, and other key staff specifically assigned to your project.
- We ensure constant communication and collaboration through regular status meetings and real-time updates.
- On Time and Within Budget: – No surprises, just transparency, collaboration, and success.

► 130 years of Experience and Excellence in All Aspects of the Project Process

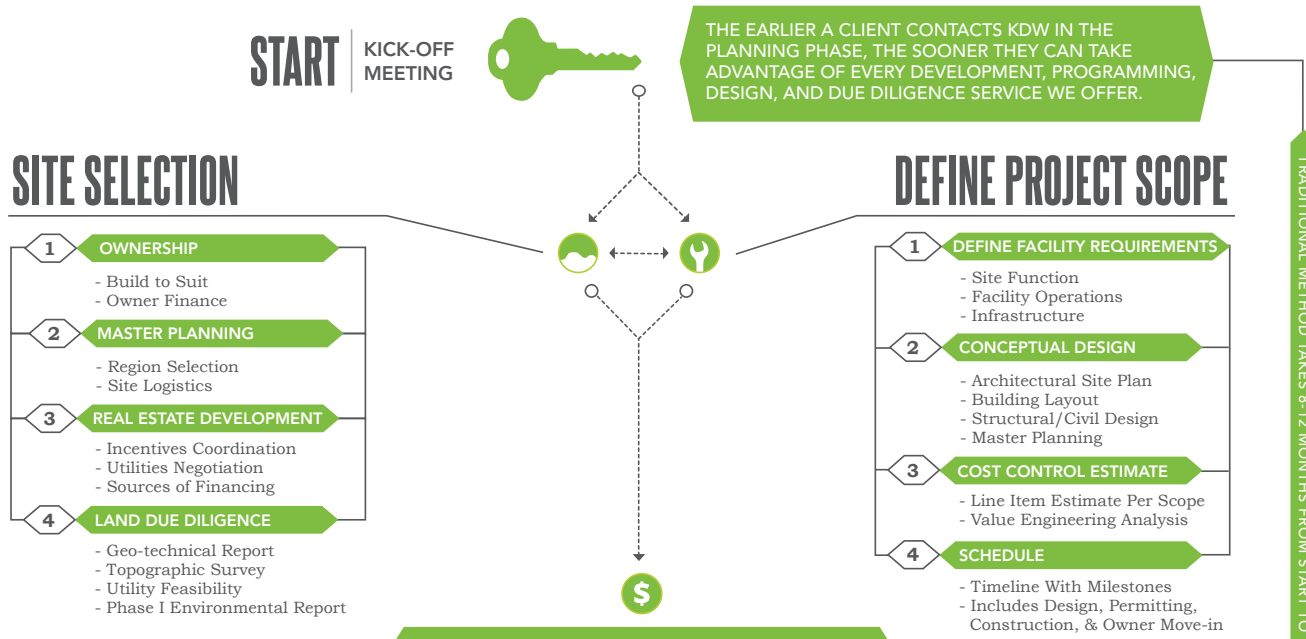

- Whether you're a foreign or domestic company relocating to Texas, a Texas business entering a new market, or a local firm renovating or expanding, KDW streamlines the project process. From preconstruction consulting to design and construction, we provide the expertise you need to focus on your business.
- Innovation, adaptability, and education are vital to our success at KDW. Our team continuously monitors industry innovations and stays informed on best practices, technology, and pricing trends.
- We maintain the highest standards for every employee and project, continuously improving our processes to deliver exceptional results.

► Highest Commitment to Safety

- Safety is a cornerstone of our operations at KDW. We are dedicated to maintaining the highest safety standards on every job site.
- We implement comprehensive safety procedures to protect our team, clients, and the public. Regular training and adherence to industry best practices ensure a safe working environment.
- Safety is an ongoing priority. We continuously review and improve our safety practices to adapt to new challenges and ensure compliance with all regulations.
- Incident Prevention: Our proactive approach to risk management and safety ensures that potential hazards are identified and addressed before they become issues, keeping our projects on track and secure.

KDW broke ground on Typhoon Texas Waterpark in August 2015, with completion of the project in May 2016. Typhoon Texas is the largest private water park built in the U.S. in the past 10 years. Lazy River is nearly 1,500 feet and holds 480,000 gallons of water. Pumps re-circulate a total of 70,000 GPM (49.4mm Gallons Per Day) The park includes several water attractions (Wave Pool, Lazy River, Children’s Aquaplay, 8 Lane Mat Racer, Family Raft Slides, Tube Slides, Body Slides, etc). KDW assisted in pre-development and pre-construction activities that enabled construction to start on time. Filters are the most efficient systems in the aquatic marketplace, capable filtering down to 1 micron (20x better than the average swimming pool filter).

The Woodshed project transformed shell buildings within Upper Kirby's Levy Park into two distinct restaurant spaces, highlighting thoughtful design and craftsmanship. Woodshed, a BBQ restaurant, spans 6,287 SF with a 1,213 SF dining patio and features a custom smoker enclosure, high-end millwork, and Charwood wall paneling. Notably, the furniture, fireplace mantle, and art piece were crafted from wood salvaged from a Live Oak tree removed during the building's construction, reflecting a nod to the site's history and sustainability.

Adjacent to Woodshed, Love Shack offers a casual, counter-serve dining experience within a 544 SF space. Together, the two restaurants bring culinary and architectural flair to Levy Park, creating a vibrant and inviting community destination.
