ABOUT KDW /

KDW, Texas' Premier Design-Builder, is a dynamic, full-service commercial design-build firm with 130 years of experience. As a fifth-generation family-owned business, we operate from our Texas offices in Austin, Houston, and Nacogdoches, backed by a team of over 100 in-house professionals. We pride ourselves on simplifying the complex building process, ensuring projects are completed on time, within budget, and beyond client expectations. From large-scale industrial facilities to dynamic commercial spaces, our expertise ensures that each project is executed with precision and passion.

BUILDING BEYOND EXPECTATIONS /

At KDW, our culture is grounded in innovation, collaboration, and personal growth. We cultivate a supportive environment where every team member is empowered to excel. Our commitment to going beyond for our clients extends to our own people, as we invest in their development and celebrate their achievements.

A SINGLE SOURCE, ONE CONTRACT APPROACH

Our leaders are dedicated to nurturing talent, fostering a collaborative culture, and pushing the boundaries of what's possible.

THE KDW DIFFERENCE /

Give Your Project the Team it Deserves

Planning a project can be challenging, whether you're a first-time developer or an experienced business owner. KDW is a full-service design/build firm that guides you through every step, from land development and custom design, to construction and post-occupancy support. Our team works alongside you as your designer, contractor, and partner.

Built on trust, quality, and innovation, KDW delivers hassle-free projects by integrating design and construction into a single workflow. We ensure smooth, transparent processes that save you time and money. Let us help you navigate every step of the way.

**NUMBER OF SUCCESSFULLY
COMPLETED PROJECTS**

SERVICES /

Land Due Diligence

Properties are thoroughly researched to assess suitability for development, including zoning regulations, environmental concerns, title issues, and infrastructure availability, before acquisition.

Site Selection and Pre-Development

Get the site right. This is a lesson that has been reinforced over decades spent working alongside companies to locate and construct facilities that meet their functional and financial goals.

Design and Preconstruction

Our team of project managers, engineers, architects, interior designers, lawyers and in house estimators have honed their ability to solve problems while delivering successful projects on time, on budget.

Construction and Project Management

As the project progresses, our experienced team will preempt every challenge, working diligently to control costs, coordinate with subcontractors and manage construction to make sure your project is successful.

OUR MARKETS /

▶ INDUSTRIAL/MANUFACTURING

From large-scale factories to advanced distribution centers, our structures support your operational goals and growth. Our manufacturing facilities are crafted to enhance production capabilities and meet stringent industry standards.

▶ COLD STORAGE

We design and construct state-of-the-art cold storage facilities, ensuring precise temperature control and operational reliability.

▶ FOOD & BEVERAGE

Our facilities for the food and beverage sector include processing plants, packaging centers, and distribution hubs.

▶ COMMERCIAL

From modern office buildings to dynamic retail spaces, our commercial projects are designed to maximize functionality and aesthetic appeal.

▶ LIFESTYLE

We specialize in vibrant lifestyle venues, including hotels, resorts, youth camps, water parks, restaurants, bars, and theaters.

▶ INTERIORS

We transform interiors into efficient, functional, and visually appealing environments, designing around your machinery and processes while minimizing disruption and adhering to your timelines.

HOW WE GO BEYOND /

At KDW, going beyond is more than a commitment—it's our standard practice. We're dedicated to delivering exceptional results through a comprehensive approach that integrates innovative design, meticulous construction, and unparalleled client service. Here's how we make every project extraordinary:

► It is an Honor to Build Your Unique Project

- We are grateful for the opportunity to bring your unique projects to life, as they reflect our commitment to your vision.
- We build this project for you, designing spaces that efficiently support your business processes and machinery.

► Unparalleled Communication, Transparency, and Client Collaboration

- At KDW, we're dedicated to your project's success and look forward to strengthening our relationship with you.
- A principal oversees every aspect of the project alongside the project manager(s), superintendent, and other key staff specifically assigned to your project.
- We ensure constant communication and collaboration through regular status meetings and real-time updates.
- On Time and Within Budget: No surprises, just transparency, collaboration, and success.

► 130 years of Experience and Excellence in All Aspects of the Project Process

- Whether you're a foreign or domestic company relocating to Texas, a Texas business entering a new market, or a local firm renovating or expanding, KDW streamlines the project process. From preconstruction consulting to design and construction, we provide the expertise you need to focus on your business.
- Innovation, adaptability, and education are vital to our success at KDW. Our team continuously monitors industry innovations and stays informed on best practices, technology, and pricing trends.
- We maintain the highest standards for every employee and project, continuously improving our processes to deliver exceptional results.

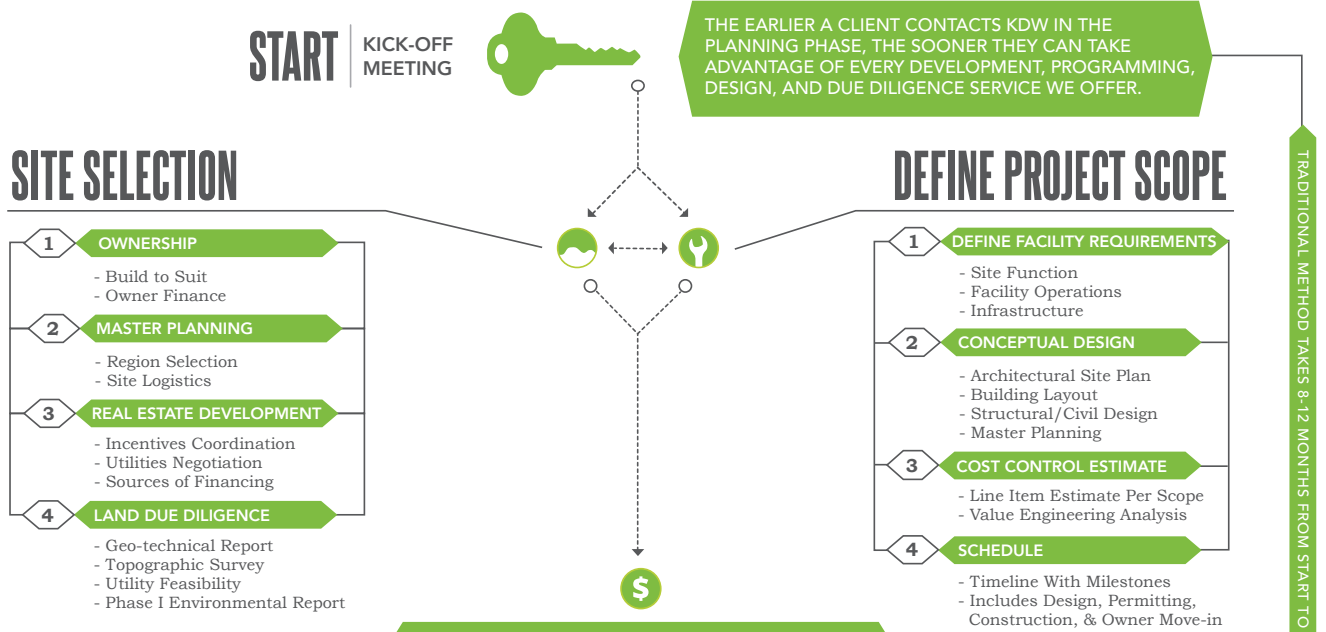

► Highest Commitment to Safety

- Safety is a cornerstone of our operations at KDW. We are dedicated to maintaining the highest safety standards on every job site.
- We implement comprehensive safety procedures to protect our team, clients, and the public. Regular training and adherence to industry best practices ensure a safe working environment.
- Safety is an ongoing priority. We continuously review and improve our safety practices to adapt to new challenges and ensure compliance with all regulations.
- Incident Prevention: Our proactive approach to risk management and safety ensures that potential hazards are identified and addressed before they become issues, keeping our projects on track and secure.

NEWTON NURSERY

LOCATION

KATY, TX

Advancing green industry growth with sustainable facilities and irrigation solutions for professional landscapers.

SIZE

3.5 ACRES / 27,000 SF

SERVICES

Land due diligence

Site selection

Multi-phased design

Construction Management

Newton Nursery is a wholesale tree, plant and flower nursery that exclusively serves professional residential and commercial landscapers. When they opened their third location in Katy, Texas, KDW's Special Projects Division built a gated complex that includes a 7,000 square foot greenhouse and a 20,000 square foot shade area.

We also designed an extensive irrigation system and a sizable reserve water tank in case there's a drought and water restrictions. All in all, it was a labor of love that culminated in a new build that continues to be a point of pride in our portfolio.

COMMERCIAL

SAN ANGELO HANGAR

LOCATION
SAN ANGELO, TX

Modernizing aviation facilities to drive growth and opportunity.

SIZE
28,332 SF

SERVICES

Land due diligence

Site selection

Multi-phased design

Construction Management

The project involved expanding an existing business with the new build of a 4,332 SF Fixed Base Operator (FBO) and the renovation of a 24,000 SF hangar originally built in the 1940s, including new exterior sheathing, an epoxy floor, and huge fans. It also included concrete ramp renovation and parking lot renovation. This expansion, completed through a public/private partnership with the San Angelo Economic Development Corp, aims to attract new opportunities, including the San Angelo Aviation school, and provides a new midway point for smaller air traffic refueling between the coasts.

LIFESTYLE

STEPHEN F. AUSTIN FINE ARTS

Inspiring creativity through spaces designed for artistic expression and collaborative learning.

LOCATION

NACOGDOCHES, TX

SIZE

2 ACRES / 129,000 SF

SERVICES

Construction Management

This completed the renovation and expansion of the Griffith Fine Arts Center, now a vibrant hub for the School of Arts' filmmaking and musical theatre programs. The facility features renovated W.M. Turner Auditorium, two dance studios, two new theatres, a recording studio, a sound stage, audio and video editing rooms, an art gallery, multiple classrooms, rehearsal spaces, faculty offices, and the College of Fine Arts dean's office. This state-of-the-art center is designed to inspire creativity and enhance learning for students and faculty alike.

COMMERCIAL

STEPHEN F. AUSTIN BASKETBALL PERFORMANCE CENTER

Redefining athletic excellence with state-of-the-art facilities and innovative performance spaces.

LOCATION

NACOGDOCHES, TX

SIZE

1.24 ACRES / 54,000 SF

SERVICES

Land due diligence

Site selection

Multi-phased design

Construction Management

Part of a major campus expansion, KDW expanded Stephen F. Austin’s campus by building a 54,000-square-foot, two-story basketball performance center. The new facility connects to the existing arena via a new underground tunnel, where the men and women’s home basketball games are played.

The first, underground level of the performance center features a full-sized practice court and two shootaround courts (which can be utilized for the university’s summer camps), a film room, player lounges and locker rooms for both teams, and an athletic training room with hydrotherapy and nutrition offerings. The second level includes the entry lobby, coaches offices, conference rooms, weight room, and balcony where coaches, donors, and visitors can observe the practices on the courts below.

COMMERCIAL

STEPHEN F. AUSTIN STEM BUILDING

LOCATION
NACOGDOCHES, TX

SIZE
13.5 ACRES / 87,000 SF

Redefining education with innovative spaces, cutting-edge technology, and immersive learning environments.

SERVICES

Land due diligence

Site selection

Multi-phased design

Construction Management

The Stephen F. Austin State University (SFA) STEM Building was a transformative project designed to enhance the university’s commitment to Science, Technology, Engineering, and Mathematics (STEM) education. With a budget of \$46.4 million approved by the Texas Legislature and the SFA Board of Regents, this facility serves as a central hub on campus, featuring collaborative classrooms, teaching and research laboratories, a significant maker space, and a 52-foot dome planetarium.

The design integrates student-centered learning environments and an extensive science-themed landscaped corridor that connects the new building to existing academic facilities, fostering a dynamic educational atmosphere.

XSPACE

LOCATION

AUSTIN, TX

Revolutionizing storage and work-space solutions with customizable, high-end condominium units.

SIZE

5.4 ACRES / 90,000 SF

SERVICES

Land due diligence

Site selection

Multi-phased design

Construction Management

KDW built XSpace's, four-story building with a customizable, multiuse, high-end condominium units designed for storage business and personal use.

The building will house 114 condo units across three stories from 300 SF to just over 1,000 SF for either storage or workspace. The fourth floor of this facility will have an owners' lounge for business and personal use.
